

Pamm's House Party Guidelines

Pamm's House is happy to observe birthdays and holidays with small celebrations. Following these guidelines will help make parties fun for everyone.

Parents and grandparents are always invited. For holiday parties I will set a date and time. For birthdays I will work with parents to find out if there is a convenient time parents can attend. It's okay if parents are unable to take off work to attend. As always, I will take photos and email them to you.

Guests are expected to help out serving and cleaning up the snack and overall assisting with watching all the children, entertaining, and clean-up. As the Old English Proverb says, "Many hands make light work."

I appreciate donations of either cash or snack items.

The Menu

Graham Crackers or Plain Sugar Cookies

Can of Frosting

Capri Sun

***Note:** I strongly discourage cake or cup cakes as most children play with it and don't eat it.

With everyone's cooperation parties and celebrations will be a big success at Pamm's House.
