

times in 24 hours. Body rash, especially with a fever or itching. Lice or nits. 3 or more watery stools in 24 hours. Thick mucus or pusdraining from the eye. Withfever or swollen glands. Unusually Temperal tired, pale, 100°(F) a lack of (taken un appetite, arm) An confused throat, ro or cranky. vomiting diarrhe

100°(F) or more, (taken under the arm) AND sore throat, rash vomiting, diarrhea, earache or just not feeling good.

When Your Child is Sick: 1. Have plans for back up child care.
2. Tell your caregiver what is wrong with your child, even if your child stays home.
