# Pamm's House

Newsletter

October 2006

**Got Lids?** The toddlers LOVE to play with lids from all sorts of things; juice cans, plastic food tubs, liquid laundry soap and fabric softener bottles, etc. If you empty something at home and aren't keeping the lid for yourself, please donate to Pamm's House. Thanks!

## Child Care Hours

As you know, my hours are from 7:30 am to 5:30 pm. The reason I set these hours is to limit my work time. In addition to the ten hours I work caring for children, there are many more hours I work behind the scenes doing the necessary cleaning and preparation to care for the children.

When you have a situation like a late meeting, training, overtime, or other need for care outside my regular hours, I ask that you find alternate child care arrangements for your child, like a friend or relative. As a **last resort**, you can ask to leave your child at Pamm's House before or after hours. If I'm available for over-time care late charges will apply.

I know this must seem petty, but working long hours wears me down and it can effect the quality of care for the children. Thanks for your consideration.

## The Pumpkin Song

Tune: I'm a Little Teapot

I'm a little pumpkin  
orange and round.

Here is my stem

There is the ground

When I get all cut up

Don't you shout!

Just open me up

And scoop me out!

## Pumpkin Prayer

Dear Jesus, You made our pumpkins light, So we could have fun on trick or treat night, Scary things I do not fear, Because I have Jesus right down here (point to your heart), A-men.
